CERTIFICATE OF PUBLIC GOOD ISSUED
PURSUANT TO 30 V.S.A. SECTION 248

IT IS HEREBY CERTIFIED that the Public Service Board of the State of Vermont ("Board") this day found and adjudged that the group net metering system proposed by Smugglers Notch Management Company, Inc. to be located in Jeffersonville, Vermont, will promote the general good of the State, subject to the following conditions:

1. Operation and maintenance of the project shall be in accordance with the plans and evidence submitted in this proceeding. Any material or substantial change in the project is prohibited without prior Board approval.
2. The group net metering system shall comply with applicable existing and future statutory requirements and Board Rules and Orders.
3. In the event this Certificate is transferred pursuant to Board Rule 5.100, Section 5.107(B)1, the new owner of the system must file the required certificate transfer form with the Board prior to commencing operation of the system.
4. Prior to construction of the project, the applicant shall receive written concurrence from the Vermont Agency of Natural Resources for the placement of any generation equipment, electrical conduit, or interconnection infrastructure in a wetlands area, and shall file the written concurrence with the Board.
5. The Applicant shall install plantings in accordance with the plan attached to the November 10, 2011, letter filed with the Board.

DATED at Montpelier, Vermont, this 14th day of December, 2011.
